

Principal's Message ~

We have just completed the first semester and mid-term exams. Our second semester began on January 25th. You will be receiving report cards with exam and semester grades in the mail shortly. I encourage you to review them with your students. The second half of the school year brings many of our popular late winter and spring events and activities. We hope you will be able to attend many of these.

*Sincerely,
Stephen F. Salisbury, Principal*
