1. Call To Order

D. Whitcher called the meeting to order at 6:08 p.m.

2. Discuss and review updates to Strategic Plan

D. Whitcher questioned when the next update is due. Superintendent Angeli noted it would be due in April. The annual update is due in May. W. Meese suggested postponing the update, and do the annual in May. The goal of having students reach grade level for reading by end of grade 3 was discussed. There are test results that will be shared at a Board meeting. Testing and standardized testing were discussed. The result indicators are built into the Strategic Plan. The superintendent can begin reporting on that. J. Nowosad noted that 100% achievement is not attained by most districts. The goal of 100% was discussed. A. Margerelli-Hussey questioned if students are at or above grade level. Superintendent Angeli reported that they are at approximately 70%. State targets have shifted. SBAC has been used for State testing. Superintendent Angeli noted that scholastic classes are going away as it is felt students are not being prepared and diminishing class sizes. Time with non-disabled peers has been flagged by the State. It is not anticipated that there will be an impact on staff.
